

Coin Sizes

Coin jewelry has become quite popular in recent years. Commercial settings are available for many of the most popular designs. However, settings will not be listed for all styles of coin. The chart below

allows for a comparison of sizes. For example: The Mexican twenty peso piece or the Chinese half ounce panda will fit into a mount for the half ounce American Eagle with little modification.

Coin Type	mm Dia. x mm Thick	Coin Type	mm Dia. x mm Thick
