

Recalling summer days at the lake, the charm of an oceanside town, and the quiet pleasure of a beach sunset, this collection features engravings, inlays, and styles that embody all the joys of life along the water's edge.

New for 2024, Shoreline Collection™ rings are available in Serinium®, Rugged Tungsten™, and Black Diamond Ceramic™ in all of our finishes and with laser engravings and inlays, including:

- teak wood
- shark tooth
- white & black beach sand
- mother of pearl
- turquoise
- lapis
- abalone
- + more
